

CAPABILITY STATEMENT

ABOUT SURGISHOP

SurgiShop is a minority owned, small business that partners with health systems and facilities to provide supply assurance and cost containment. Offering competitive pricing on surgical disposables that are long-dated, sterile, and in original OEM packaging, SurgiShop helps customers save 10-80% off list price, while aiding in avoiding case cancellation due to backorder. SurgiShop offers a variety of payment plans, flexible return policy, and expedited shipping to ensure we are best meeting the needs of our customers.
